Food-related paper products

TOYO PAPER MFG. CO., LTD.

<https://toyo-paper.co.jp/>

1. Product

We are a paper manufacturer, providing various paper products for diverse industries. We produce a wide range of food-related products using our expertise and experience as paper experts, including tempura paper, meat paper, food paper, coffee filters, tea bags, and waste oil disposal bags. Our goal is to offer superior products that meet our customers' needs. We also provide OEM/PB services to help customers improve their work efficiency as much as possible.

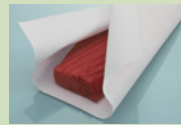

2. Advantages

Tempura paper

- Functional, Beautiful paper.
- **Keeping the tempura texture crispy and tasty:** Absorbing the adequate amount of oil.
- **Making tempura looks appealing:** with the Authentic Japanese style texture.
- **Adding a touch of luxury:** the pattern of rayon fibers on the paper makes the paper elegant.

Meat / Food paper

- **Keeping meat / food fresh**
- Absorbing sufficient amount of oil, water, and drips.
- Protecting meat / fish from drying and deteriorating in flavor (for a while).
- Useful in the food processing/preservation scene.
- Not easy to be torn.
- Sheet type and Roll type are available.

Coffee filter

- **Thorough quality control to retain the superior quality:** produced internally throughout the process (incl. manufacturing body paper).
- **Excellent filtration:** helping the water smoothly drain, absorbing oil from the beans.
- Extract the aroma and flavor of the beans as much as possible, leaving nearly no taste of paper in the brewed cup.
