

Ultimate Anti-aging by Nano Colloidal Pure Gold

Sirius 24K Rose serum & Sirius 24K Mask

Simple anti-aging treatment with just adding the Sirius 24K series to daily skincare routine.

Protect skin from blemishes, lines, and inflammations by scavenging free radicals with Gold's Antioxidant Property.

Sirius 24K Rose serum (Gel serum)

1.24 trillion pure gold nano colloid particles are contained per bottle approximately. Contains Gentiana Lutea Root Extract that has moisturizing and mild anti-inflammatory properties. No use of alcohol, surfactants, oils, fragrances, or colors. Add to your everyday skincare regimen as an anti-aging treatment. Use one bottle every 2-3 months as a guide.

Sirius 24K Mask (Three sheets included)

240 million pure gold nano colloid particles are contained per sheet approximately. Organic glycerin certified by ECOCERT, an organic certification organization, and seaweed ingredients prevent enzymatic degradation of the collagen or elastase, giving the skin its firmness. No use of alcohol, surfactants, oils, fragrances, synthetic polymer, thickening agents. Sheets are 100% pure cotton. Use as part of nighttime skincare routine.

Metal Allergen free

Particles of 99.9% pure gold nano colloid don't penetrate into the skin. Therefore, it is safe even for people who are allergic to metals.

1. About Product

The Sirius 24K series rejuvenates skin conditions such as Firmness, Moisture, Dark Spots, Dullness, and Skin Cell Turnover Cycle. The **gold's antioxidant properties** in the series remove **free radicals**, which cause **skin aging**, and **promote the skin's natural ability** to repair and regenerate itself.

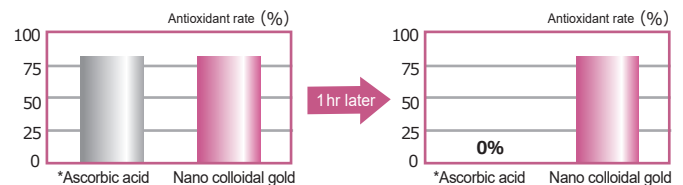

Antioxidant effect to protect skin from free radicals

The anti-aging treatment lasts until rinsed away

Once applied on skin, the **Gold** antioxidant properties **work all day** to support the skin rejuvenation without deteriorating. **Vitamin C** which is known as antioxidant particle, on the other hand, **loses all** of its antioxidant effect in an hour as shown below.

Comparison of antioxidant effect between colloidal gold solution and ascorbic acid (Based on our laboratory research)

*Ascorbic acid is an organic compound of Vitamin C and acts as an antioxidant.

In contrast to vitamin C or astaxanthin, the gold's antioxidant activity continues to remove free radicals almost permanently.

2. Clients in Japan

Aesthetic dermatology clinics, Aesthetic salons, Aesthetic acupuncture clinics, Retailers, and EC sites.

3. Standard certification

In Japan: ISO9001 Overseas: NMPA (for Sirius 24K Rose serum)

4. Expected Sales partners

Clinics, Aesthetic salons, Department stores, Retailers, Distributors, or Trading companies dealing with cosmetic or beauty products.
